Thinking Out Loud

(By H. M. L.)

The association which see the freedom of Tom Mooney is st very much alive despite the fias review staged before a commissioner for the State Supreme Cour It floods newspaper offices with looney "literature." The latest a photostat of the story carried by t San Francisco Bulletin of June 26 1917. It is even more biased than the story that Mooney recited in his recent appearance before th commissioner.

The Progressive Republican League of Los Angeles has indorsed Governor Merriam as a candidate for President of the United States. "Lookit whut the cat drug in.

We specially commend one section of President Roosevelt's New Years message. The President said "t us but work to make the New Y safer and it will be safer. Pledg ourselves and our families to ave carelessness, discourtesy and recklessness on our highways, we c put a stop to thousands of deaths This sounds like a family prayer.

Business, though recording f the year just closed the greatest a vance since the big depression star ed, is still afraid? What is it afraid of? It is afraid of governmental policies which, carried to logical conclusions, would make it impossible for business to earn profits. It is afraid of measures which divest the owners and managers of business of old time authority and invest the authority in office holders in Washington or elsewhere. It is afraid of legislative action which negatives, in effect, the rights conferred by the Constitution. It is afraid of those government policies which halt or restrict private initiative and enterprise.

These fears will gradually subside, we predict. Next year is election year, and whatever befalls, Republican or Democratic victory Congress is bound to be more conservative. The pendulum has swung away from the policy of betting a billion on an experiment. The United States Supreme Court will almost certainly clip the wings of soaring visions. We will, in short, get back to earth. Some of the old verities will be modified no doubt, but we will still be able to recognize them. A world war in all probability will take our minds off domestic troubles. And however much we may deplore a world war, we stay out of it, and mind our knitting, we shall, for some years, profit by it.

We note that on the stationary of the Nevada City Chamber of Commerce, and in its literature, is carried the information that this county produces $5000,000 annually in gold. This figure should now be amended, for as a conservative estimate, the county during 1935 produced $7,500,00.

Although Daniel Defoe in Robinson Crusoe, does not mention that his hero found any kind of wild tobacco on his island, which was later proved to be one of the larger Juan Fernandez Islands, two University of California scientists are now carefully searching the island for any variety of wild tobacco plant. Another University botanist is searching the Chilean and Peruvian coast for new varieties of cactus. It would really be a boon to this tobacco using world if a wild plant were to be found, which crossed with comercial varieties, would decrease the amount of nicotine in the billions of coffin nails inhaled in this country. A nicotineless cactus, such as Luther Burbank sought and thought he had found, might also prove of value as a forage crop.

University of California students are solving their own problems on how to live cheaply and obtain an education at the same time. Four hundred and twenty students on the Berkeley campus are in three cooperative boarding houses, supporting themselves at a cost of $15 to $18 per month. The houses for men and one for women have joined in a cooperative association, with a central management and a buying officer. Sometimes wonder whether these students in their effort to earn an independent living and in their extra curricular activities, do not receive more advantage therefrom than from their academic studies.

Christmas is over, New Years is at a few hours away and everyone unconsciously or consciously takes stock. Merchants inventory their possessions and resolve to close out lines at a discount and start the by, making a charming scene.

BOSTON EXCHANGE LISTS LAVA CAP STOCK

It is announced that Lava Cap shares have been listed on th Boston Stock Exchange and will be listed on the Toronto, Canada Exchange beginning with the New Year. Canadian interests are well represented on the board of directors.

year with new stock and the prayer that none will be unsold come January 1, 1937. Psychologically now is the time to take stock, every individual of his own brain pan. Is there an old supersitition, an old prejudice, an old grudge, or a horse and buggy stored away in the mental attic? Get rid of it. Don't let it take up room in the medulla oblongata, or whaever in the skull cavity such lumber is stored. Live in 1936. It's a New Year. a brand new chapter in life, unwritten and unspoiled. The pages are brand new. Set down on them the best that is in you.

A new era of prosperity is gradually opening in Nevada County. Each month that goes by sees an increase in mining employment. In January, 1935, over 2,000 men were employed in the county in the mining industry. In January 1936 the number is more than 2,600. The larger mining companies of late have been extremely busy in taking over and exploring old properties. A great deal of money is involved in some of these operations, and this expenditure gives evidenece of faith not only in the district, but in the ore for gold. The fact that operating companies already in the field are reaching out for more ground to mine, is perhaps the best augury of the New Year.

The price of gold cannot retreat while the world stands on the brink of another war. All credits, especially war credits, must stand on a gold basis. The last World war cost this country twelve billions in welched gold. With another world war to begin any minute now, the United States, having learned its lesson well by burning its fingers in the last, will surly insist on cash for goods purchased. "Do not ask for credit," should be posted where every foreign ambassador can read it in Washington. Incidentally this policy would go a long way toward shortening any European or Asiatic conflict. Approximately half the world's gold treasure is in Uncle Sam's strong boxes. If war were placed on a cash basis no foreign country could afford to buy one.

One of the first measures Congress will consider is a change in the present neutrality law to give the President wider discertionary power. The question will be raised whether belligerents should be peremitted their normal shipments of merchandise from this country, or whether all exports that in any way strengthen a country at war, should be embargoed by the United States. Food itself is a war munition in time of war. Anything that permits a country to live promotes war when a country is at war. If the United States were to declare an embargo upon shipments of any kind to belligerents, or to those countries which supply belligerents, it might be the means of putting a damper on incipient hostilities. It would work a hardship on many exporting interests in this country, but would the effect be worse than the aftermath of a great war?

Look out over this city at night and note the beauty of the autdoor Christmas trees and the great stars that flame in multi colors at tree top. Each year adds recruits to this growing forest of outdoor trees that bloom with gorgeous illumination at night, and still delight the eye in broad daylight. It is the outdoor Christmas tree that will one day help to save our woods from the annual slaughter of young trees. It was Mrs. C. E. Parsons whose voice was first raised in advocacy of the outdoor Christmas tree, and largely to her is this city indebted for this good thought planted in fertile ground.

GARDEN SANTA CLAUS

Many children, and even grown-ups, from all over town have visited Mrs. Lyda Talbot's yard on upper Boulder street to view her beautiful silvered Christmas tree, which also has icicles, many lights, and is topped with a reflector. Old Santa Claus is standing on a bank of snow near-by, making a charming scene.

WILD DUCK HUNT EXCITES WATER FRONT

Mr. Fred Sauvee was feeding his chickens one morning last week, a wild duck swam down Deer Creek and as he neared the chickens he was also thrown a handful of grain on the stream bank. Mr. Sauvee later strolled over to the Plaza Garage and stated: "There are ducks in Deer Creek this morning." A local sportsman, spotting it for a wild mallard secured gum boots and waded into the icy cold, muddy stream to capture it. In a few minutes another business man of the "water front" put on his boots and waded into the stream. A throng of excited spectators lined the bridge over Deer Creek. Standing room was at a premium, as the men stepped here and there the water running over their boots, trying to catch the wily duck. They closed in, captured the bird, and with visions of a nice fat roast duck, a little boy stepped up and claimed his pet. He had taken the bird when crippled and fed it until it was well, then it wandered. The duck had one good wing and a string on one leg by which the youngster proved property.

HEARING ON ANCHO-ERIE PETITION FOR WATER

The Division of Water Resources will hold a public hearing on Friday, January 3, 1936 at 10 o'clock A. M. in Room 401 Public Works Building, 11th and P streets, Sacramento, California, on an application by Ancho-Erie Mining Company, Inc. of Graniteville, California, to appropriate 3 cubic feet per second from South Fork of Poormans Creek in Nevada County for power and domestic use in connection with the mines about two miles south of Graniteville.

The application is protested by Gaston Mines Ltd., and W. H. Taylor of San Francisco and Frank Dillon of Nevada City who claim prior rights to the use of said waters.

Hearings before the Division of Water Resources are open to the public and appearance thereat are not limited to parties of record interest in the application heard.

Harold Conkling, Deputy State Engineer in charge of water rights, will conduct the hearing.

LAST RITES FOR EARLY RESIDENT OF NEVADA CITY

Interment of the remains of Mrs. Virginia Shearer Bradley, pioneer resident of Nevada City, who passed away a week ago in San Francisco, took place Thursday. Services were held in San Francisco Wednesday morning and the funeral party then proceeded to Nevada City, where graveside services held with the Rev. Kirk Guthrie of San Francisco officiating. The obsequies were directed by Holmes Funeral Home.

"GOOD MORNING JUDGE" FIVE OF 'EM SAY IT

City Judge Miles D. Coughlin acting for Judge W. L. Mobley who is in San Francisco, adjudicated five cases in the justice court last Saturday.

Edward Jarvis, 20, of French Corral was given a preliminary examination prior to being held to answer in the superior court on a charge of contributing to the delinquency of a minor.

A complaint on an insanity case was heard, the affidavits accepted and the arrest warrants issued.

A warrant was issued for the arrest of a person accused of petty theft.

William Ebaugh was arraigned for illegal possession and use of an automatic revolver.

Edgar Martin was arraigned an assault and battery charges.

Miss Margaret Smittcamp, who has been spending the Christmas holidays with her grandmother, Mrs. George Downey of Nevada City, will return to her home in Kerman Sunday.

KILLED, MAIMED, 1935 ON STATE ROADS, 48,449

SACRAMENTO, Dec. 30.—Crashing all previous injury records and running up a death total which will approximate or perhaps exceed fatalities fror the preciding year, California motor vehicle accidents turned the state's streets and highways into a veritable shambles during 1935—piling up a total of 48,449 dead and injured!

Ray Ingles, director of the State Motor Vehicle Department, so announced today in his first official estimate of 1935 traffic accidents.

Ingles' estimate of deaths and injuries in motor vehicl crashes for the year just ending, with comparative figures for 1934, follows:

	Deaths	Injuries
1935 (estimated	2,799	45,650
1934	2,805	45,153

November, the last month of 1935 for which actual statistics are available, was the worst motor accident month in the history of the state, Ingels said, with 295 deaths. The worst previous month was December 1934, with 284 deaths, and there is a possibility that when final returns are in from December of this year that the 1935 death rate total will be greater than the previous year.

Intensive enforcement and educational campaigns to reduce traffic casualties apparently brought results in cutting down the frequency of accidents, the 1935 total showing 2,629 less accidents than in 1934. But although number of accidents dropped, injuries increased by nearly 500 and virtually no change was recorded in the terrific highway death rate.

No tabulations have been completed for 1935 indicating accident causes, but motor vehicle officials declared that speed and runken driving were outstanding factors. During 1934, it was shown that speed was the chief accident cause; that accidents caused by drunken driving had jumped some 20 per cent, and that 30 per cent of all accidents between two or more vehicles involved trucks, buses or other commercial equipment.

WILLOW VALLEY MAN ARRESTED AND JAILED

William Ebaugh, the long-haired, former inmate of a state hospital, of Willow Valley, was arraigned Saturday in the Justice Court of Nevada Township before City Judge Miles D. Coughlin, presiding for Judge W. L. Mobley, on a complaint charging him with the possession of an automatic pistol without having the license required by law, and with drawing fire arm in a rude, threatening and angry manner. Ebaugh whose attorney is Harry M. McKee, plead not guilty to both charges. His trial will start at two o'clock next Friday afternoon.

Sheriff Carl Tobiassen and Deputy Sheriff William D. Woods, arrested Ebaugh Friday near the Hecker home in Willow Valley. Ebaugh is reported to have been behaving in a threatening manner Thursday, and when arrested is said to have drawn an automatic pistol and attempted to stand off Sheriff Tobiassen and Woods.

NO EVIDENCE ADDUCED, CASE IS DISMISSED

Gust Byor, who was one of the men arrested and charged with using wilful and unlawful force upon another, had his hearing in Judge W. L. Mobley's court this morning. He stated he has a job with the Zeibright mine and he had come down with a pay check and paid a number of bills he owed around town. He also said he had a camp in the jungles south of town. Judge Mobley dismissed the case and instructed the man to go to his camp, stay there util the truck comes in from the Zeibright tomorrow, then to continue work and pay his debts.

It was alleged Byor with a companion had taken Neil Minear from the corner of Pine and Broad streets to a lot on Commercial street, struck the man and attempted to rob him.

Mr. E. J. Pollard, who has been seriously ill at his home on the Tahoe Ukiah highway, is improving.

Wealth of Prizes Offered at Firemen's Ball New Years Eve

With a grand prize that will comprise groceries enough to keep an ordinary family for two months, and 23 other prizes to be awarded the masqueraders, the Firemen's Masquerade Ball in Armory Hall, New Years eve, tomorrow evening, promises to outstrip in attendance all such events for many a year in Nevada City.

The grand prize, now on display in the window of the Nevada City Nugget, is the largest prize offered since early days when Nevada City was very young.

The other prizes are well worth the endeavor of all those who have talent in masquerading or dancing. The list of prizes and their donors follows:

Best dressed lady, $10.00 cash. $8.00 lady's set. Dickerman's Drug Store.

Best dressed gentleman, $10.00 cash. $10.00 Set. R. E. Harris.

Third gallery prize, $6.00 electric heater, Plaza Grocery Store.

Fourth gallery prize, 1 box of 25 cigars, Bret Harte Cigar Store.

Fifty gallery prize, $2.5[illegible] merchandise, Boston Mercantile Store.

STORM BRINGS SNOW ON PEAKS, PLENTY OF RAIN

A soaking rain has been falling practically all of today with the rain gauge at the home of Mrs. Jennie Preston measuring approximately 2 inches, for the storm. The gauge measured 1.39 inches at 4:30 yesterday afternoon. Deer Creek at Nevada City has risen to twice its size in the last few hours.

The snow plow and crew under District Manager Mr. Fred Garrison of this city worked at the higher elevations on the Tahoe-Ukiah highway Saturday, Sunday and is out again today keeping the road clear for traffic. There is about a foot of snow near Steep Hollow and it continues to fall. Twenty five inches of snow is reported on the Yuba Pass above Sierra City. A warm rain is falling on the Downieville route about as far up as Sierra City.

Mr. E. J. Haverstock, mail carrier for the Washington route out of Nevada City stated this morning that half snow and half rain was falling at the Junction House when he came down this morning. It has rained continuously since Saturday morning at Washington and the old South Yuba river was up between three and four feet Sunday evening.

A few inches of snow fell at Alleghany but the rain has melted it and a good fall of moisture is reported from there.

The snow line is to be found near Baxters Camp on the Auburn side of the Donner highway and chains are needed near Cisco, in order to get over Donner Summit.

M. B. LUSK PASSES AWAY AT GOODYEARS BAR

Mr. M. B. Lusk of Goodyears Bar, aged 74 years, 11 months and 7 days passed away alone sometime Thursday December 26, in his residence. The body was found last evening by neighbors who missed the elderly man.

Mr. Lusk was born in Petaluma, California and moved to Goodyears Bar many years ago. He had conducted an auto camp in Lusks Meadaws near Goodyears Bar for the last ten years. He was highly respected by all who knew him.

The body is at Holmes Funeral Home in this city. Cremation will [illegible] at East Lawn cemetery.

TWO FACE CHARGES OF ASSAULT AND BATTERY

Edward Martin and Gus Byor will appear in court tomorrow to answer to a charge of assault and battery. They are charged with having on last Thursday night taken Neil Minear, whom Byor and Martin say was in an intoxicated condition from where he was standing near the Bank of America down Pine street to the empty lot on Commercial street, and with slugging him with intent to rob. Robbery can not be included in the charge however, as Minear cannot remember whether or not he had any money with him at the time.

Chief of Police Garfield Robson and Deputy Sheriff Charles Ninnis found Minear Saturday night. Menear was bleeding profusely from a wound across his forehead and nose. Martin and Byor were picked up later by Chief Robson.

LATE PIONEER RESTS IN PINE GROVE CEMETERY

The funeral of Herbert Henry Hallett a resident of Nevada City for forty years was held at two o'clock this afternoon from the Holmes Funeral Home. Reverend H. H. Buckner of the Methodist Church officiated at the services. The body was interred at the Pine Grove cemetery.

Hallett passed away in his home at three o'clock Saturday morning, after a brief illness. Surviving him are his widow, three brothers, Fred, of Sacramento, Eugene of San Francisco, and Holden of Nevada City, and by two sisters, Mrs. Elizabeth Sigourney of Nevada City and Mrs. Lester Wiseman of Grass Valley. There is also one son, Herbert S. Hallett, superintendent of streets, of Nevada City.

From 1912 until his retirement in 1932, he was in charge of the Snow Mountain ditch, the upper reservoir near Sugar Loaf, and the ditches drawing water from that reservior. Before this time he took care of ditches for the old South Yuba Water Campony in this section. Before that he was connected with the M. L. and D. Marsh Lumber Company as one of the last of the pioneer ox-team drivers.

Mr. Hallett was held in the highest esteem by a wide circle of friends, his fellow employees, and his [illegible]

OCCIDENTAL MINE

Plans are being drawn up for the installation of a Chilean pilot mill at the Occidental mine, near Iowa Hill, California. A 60 foot crosscut has been run from the bottom of the shaft, 335 feet in depth. The property is being operated by Denman Door, Mark D. Dorr, and John Easton who are also working the Long Point mine, Colfax. Four men are employed

Mr. and Mrs. George W. Keller of Gethsemne avenue on Piety Hill entertained Mr. and Mrs. W. M. Young and family of Tracy, California, during the holiday season. Mrs. Young is Mrs. Keller's sister and so it was especially pleasant as a family gathering. It is hoped they will make their visits more frequent.

Milton Rowley who has been the guest of Harley Leete, Jr. returned to his home in Oakland Friday.

NOTICE TO CREDITORS

IN THE MATTER OF THE ESTATE OF TOM JOSEPH FLANAGAN, ALSO KNOWN AS THOMAS JOSEPH FLANIGAN, Deceased.

GOOD SERVICE COSTS NO MORE

A modern establishment—a trained, intelligent and courteous personnel — distinctive motor equipment and other evidences of progress and prosperity are NOT an indication that funeral service charges will be high. A successful concern can be built only by serving honestly and well, at prices that are fair and reasonable.

Social Events

Miss Kathryn Englebright Weds David Hughes

A happy event that will be of interest locally is the announcement that Miss Kathryn Jean Englebright of San Rafael, became the bride of David Hughes in a surprise wedding at Yreka Saturday, the news becoming known when she sent her family a telegram.

Mrs. Hughes was a San Rafael society girl, prominent in high school dramatic circles, and the daughter of Mr. A. E. Englebright of the Pacific Gas and Electric company at San Rafael. She is a graduate of San Rafael high school and Marin College. and a niece of Congressman Harry L. Englebright, of Nevada City. Her grandfather was the late Representative W. F. Englebright, of this city and she is the great grand-daughter of Superior Judge F. R. Meyer of San Benito county.

The groom is a Marin junior college football star whose home is in Yreka. He met his bride when both were attending Marin junior college.

Mr. Eugene Englebright the bride's father is a native of Nevada City and with his family visited in Nevada City and Grass Valley last summer.

Holiday Reunion at Keller Home

Mr. and Mrs. Isaac H. Keller of Nevada City had a very happy reunion this Christmas. Mr. Keller's sister, whom he has not seen for seven years, made her first visit to this part of the country for the occasion. She was accompanied by her son in law and daughter, Mr. and Mrs. Paul William Scates and their children, Bill and Betty Scates of San Pedro, California.

Their three days visit was filled with recounting memories of former days in the old home town back east. They greatly enjoyed the three days spent in Nevada City and expressed appreciation of the beautiful scenery of this section and of the hearty good cheer they all enjoyed while here.

Mr. and Mrs. Earl Beatty returned to their home in Sanger, Saturday after spending the holidays in Nevada City with Mrs. Beatty's mother, Mrs. George Downey, and other family members.

CAMP FIRE GIRLS ENJOY WEEK END SNOW SPORTS

Miss Gladys Bennyhoff accompanied a group of twenty five Camp Fire girls from Berkeley and Alameda to Camp Celio on Lake Vera north of this city Saturday. The group motored to the Auburn Ski Course Saturday for a day in the snow and on Sunday went to Steep Hollow, east of Nevada City on the Tahoe Ukiah highway and found plenty of snow. They left for their homes today after a delightful week end, and plan to return in January. Miss Snyder did not accompany the group this trip as she has gone east on business.

Deputy Sheriff Carl T. Larsen and Messrs. Fred Reed and Roland Wright were quail hunting Saturday.

SOLID TIRES DECREASE

Solid-tired vehicles are proving unpopular in California, 449 fewer of this type having been registered in the first ten months of this year than in the comparable period of 1934.

Mrs. George Downey received a letter from her son, Merton Downey, and wife of Manila, Philippine Islands, from the Philippine Clipper ship last Saturday. She also has one from the China Clipper. Both letters were from first flights of the planes.

Mr. Joe Casci and family who reside on the Red Dog road, east of this city, moved into their beautiful new home Sunday. Mr. Leonard Cox has rented the old home which is a short distance from the new building.

Personal

Mrs. Thomas Moomey has returned from Berkeley for a two weeks visit at home. She has spent the past several weeks in the bay district with her daughter, Mrs. Maurine Pease and tiny daughter.

Mr. Thomas Cole, financier of southern California and Mr. A. N. Hoff, mining man, were in Nevada City Saturday attending to business affairs. They are spending a few days at Bret Harte Inn in Grass Valley.

Mr. and Mrs. Harold Shurwood and son Earl Smittcamp of Kerman, have returned home after enjoying a family reunion at the home of Mrs. Shurwood's mother, Mrs. Geo. Downey of this city.

Mr. and Mrs. L. E. Armstrong and Miss Florence Meservey of Oakland came to Nevada City Sunday and attended the funeral of their uncle, Mr. Herbet Hallett, Sr., today. Mrs. Armstrong and Miss Meservey are daughters of Mrs. W. E. Meservey of Town Talk.

STORK BRINGS SON

NOTICE TO CONTRACTORS

Notice is hereby given that the Board of Education of Nevada High School District will receive bids for furnishing all labor, materials, transportation and services for the construction of a gymnasium and school annex and the alterations to the present High School Building at Nevada City, California; each bid to be in accordance with plans and specifications now on file with the Board of Education, of Nevada High School District, and with William Mooser and William Mooser, Jr., Architects, 681 Market Street, San Francisco, California.

Bids shall be received as follows:

1. For all Plumbing and Mechanical (Heating) works as per plans and specifications.
2. For all Electrical works as per plans and specifications.
3. For all balance of works (General). As per plans and specifications.

Notice is hereby given that all proceedings relating to the above project, including bidding, award of contract, and all work to be on the project, are subpect to the Rules and Regulations and all conditions prescribed by the Federal Emergency Administration of Public Works.

Bidders are hereby notified that pursuant to the statutes of the State of California, or local law thereto applicable and in compliance with the Regulations of the Federal Emergency Administration of Public Works, the Board of Education of Nevada High School District, California, has ascertained the general prevailing rate of per diem wages and rates for legal holiday and overtime work in the locality in which this work is to be performed, for each craft or type of workmen or mechanics needed to execute the contract which will be awarded the successful bidder.

The prevailing rates so determined are as follows:

Trade or Occupation	Per Diem Wage	Hourly Wage Rate	Rates for Legal Holiday and Overtime
Carpenter	$ 6.00	.75	Same
Plasterer	8.00	1.00	Same
Plasterer's Hod Carrier	6.00	.75	Same
Bricklayer	10.00	1.25	Same
Bricklayer's Hod Carrier	6.00	.75	Same
Sheet Metal	8.80	1.10	Double Legal Holiday 1.65 Overtime
Plumber	8.80	1.10	Double Legal Holiday 1.65 Overtime
Painter	6.00	.75	Same
Electrical	6.00	.75	Same
Concrete Finisher	8.00	1.00	Same
Concrete Worker	5.00	.62½	Same
Laborers-Building	4.50	.56¼	Same
Steamfitters	8.80	1.10	Double Legal Holiday 1.65 Overtime
Tile Setters	8.80	1.10	Double Legal Holiday 1.65 Overtime
Roofers-Composition	8.00	1.00	Same
Steel Worker	9.00	1.12½	Time and one-half
Lathers	8.00	1.00	Time and one-half

The foregoing schedule of per diem wages is based upon a working day of eight hours. The hourly wage rate prescribed hereinabove is the per diem rate divided by the aforementioned number of hours constituting a working day.

It shall be mandatory upon the Contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

Notice is also hereby given that all bidders must submit with their bids a tentative schedule showing the classes of labor and the number of each class he will require in the performance of the contract.

Each bid shall be made out on a form to be obtained at the Bank of America, Nevada City, California, or at the office of William Mooser, and William Mooser, Jr., Architects, 681 Market Street, San Francisco, California; must be accompanied by a certified or cashier's check or bid bond for five per cent (5%) of the amount of the bid made payable to the order of the Board of Nevada High School District, Nevada City, California; shall be sealed and filed with the Clerk of said Board, on or before January 13, 1936 at 8 o'clock P. M. and will be opened in public at or about 8 o'clock P. M. of that day in the office of the Principal, Nevada City High School, Nevada City, California.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requestd so to do by the said Board of Education.

The successful bidder will be required to furnish a labor and material bond in an amount equal to 50% of the contract price, and a faithful performance bond in an amount equal to 100% of the contract price, said Bonds to be secured from a security company satisfactory to the Federal Emergency Administration of Public Works and to the said Board of Education. A list of such surety companies is on file with the Board of Education and with William Mooser and William Mooser Jr., Architects, 681 Market Street, San Francisco, California.

The said Board of Education reserves the right to reject any and all bids, and—or waive any irregularity in a bid.

"Award of any contract hereunder shall be conditioned upon funds being made available for construction thereunder, and upon the Board of Education of Nevada High School District having the right to hold all bids received for a period of 30 days from the date of the opening thereof, unless otherwise required by law."

Dated: Nevada City, California, December 28, 1935.
Board of Education Nevada High School District.

(Signed) J. F. COLLEY (President).
P. G. SCADDEN (Clerk).

BOY MISSING, ELDER BROTHER OPENS SEARCH

W. E. Moore, living about a mile outside of Nevada City, has asked Sheriff Carl Tobiassen to help him find his younger brother, Billy Alvin Moore, who disappeared last evening after the early moving picture show in this city. The boy is fifteen years old, weighs about 145 pounds and is about 5 feet, 5 inches tall. He was wearing, when last seen about 9 p. m., a yellow leather jacket, and Levi riding trousers. A partly healed boil on one cheek also serves as a mark of identification. Anyone seeing this boy will please notify the sheriff's office.

Subscribe for The Nugget.

MURCHIE MINE

The 500 foot winze from the 1600 foot level in the Murchie mine, east of Nevada City, has been completed. It is reported crews have started drifting in the winze to test ore bodies. Mr. George Kervin is superintendent.

GRASS VALLEY BULLION MINES

A compressor, hoist house, headframe and ore bin have been completed at the Alaska shaft of the Bullion mine below Grass Valley. Sinking has progressed about 60 feet in the new shaft. H. Lynn of Grass Valley is superintendent.

Mr. and Mrs. Russell Farley had as recent guests their son, Jack Cooper, Jack Walley and Mr. and Mrs. Maurice Flynn and their daughter, all of Sacramento.

TWO TRUCKS HAUL "CAT"

Two trucks, belonging to the city and county respectively, were used last Friday by Supervisor C. S. Arbogast to transport the county caterpillar from the new road between Town Talk and Banner Mountain, to the Hoge mine dump northeast of Nevada City. One truck could not haul the tractor up Sugar Loaf grade. The rain Friday night made the ground too soft and the tractor is being used to buck gravel to the rock crusher in a new location at the dump. This rock is being used to surface the Banner Mountain road.

Mr. and Mrs. Joe Wilhoite spent Christmas in Sacramento with Mrs. Wilhoite's mother. Mr Wilhoite is manager of the Safeway stores in Nevada City.

NUGGET ADS PAY

The New Reduced Electric Rates offer you an opportunity to shift still more work of household tasks to efficient electric servants which work for pennies a day. Start now. Take full advantage of your savings from Cheaper Electricity.

Keep Well and Warm . . . Help ward off colds with a quick-acting electric heater in the bathroom, breakfast nook or bedroom. Operate one of these efficient little electric heaters on your savings from reduced rates.

★ ★

Let's See . . . Give your eyes Better Light for Better Sight with one of the new floor or table lamps that you can turn up or turn down to vary lighting intensity. Prices have never been lower for these better lamps.

★ ★

Sit Down while you iron with one of the new electric ironing machines. Effortless ironing, it is called, because it takes away the backache from ironing day.

ELECTRICITY IS CHEAPER *in California*

EVERY TIME you turn on the lights and plug in an electric appliance or glance at the electric clock in your home, reduced rate electricity—cheaper than ever before—is working for you

Under these new low rates, too, is the added incentive to do more electrically with better light for better sight, and use more electric servants to save work and give added comfort and convenience to everyday home life. The added incentive is this: The more electric servants you use, the less you pay for the added hourly units of electricity. For these new low rates are step-down rates—the unit cost of electricity goes down as you let electricity do more of your work.

How will you take advantage of reduced electric rates? Well, you can now buy and put into use the various electric appliances you have had in mind as the next home purchase. A refrigerator to cut down food bills and give you handy ice cubes or frozen desserts. An electric heater for the chilly bathroom. An electric washer and ironer to take the backache out of washday. A vacuum cleaner, a dishwasher or an electric range and water heater.

Let us help you plan to get the most from the low-cost electric service now available. Call at any office of our company or 'phone for our representative.

Service that reaches far

Lima beans are a commodity subject to considerable market fluctuation. A grower in southern California had two carloads to sell. He used the telephone one evening to call a broker in Chicago and closed a deal. The next morning the price broke 7/8 of a cent per pound. The grower's saving was $480 for the two carloads. The cost of the telephone call was $6.50. Examples, big and small, constantly prove the value of the farm telephone.
